**ATTENTION 7<sup>th</sup> GRADE PARENTS**

Dear Parent/Guardians,

The purpose of this letter is to inform you of an immunization requirement that will impact your 7<sup>th</sup> grader this school year. Students in 7<sup>th</sup> grade are required to receive a booster dose of Tdap (tetanus, diphtheria, and pertussis) vaccine.

Please schedule an appointment with your health care provider or local health department for your child to receive the Tdap vaccine. **You will have 30 calendar days from the first day of school to present the required up-to-date immunization records for your child.** If proof of vaccination is not provided by the end of the 30 calendar day period, the child will be suspended from school until he/she provides proof of immunization as required by law or shows that he/she has begun the immunization process.

Please be prepared to provide proof of immunization (i.e., Certificate of Immunization) as soon as possible.

If you have any questions, please contact the main office at (919) 682-5903.

Sincerely,

Administration
