Ms. Linda Cato

About Me:

-Visual artist and educator
-Creativity as a transformational force on personal, community, and global levels
-Creative work as an activator and amplifier of student voice
-Art as a vehicle for the development of empathy and connecting to our common humanity

“When we can see it and make it, we can know and understand it. When we can imagine a new world, we can create a new world. “-me

Dr. Rachel Person

GSA Start Date: January 2017
Role: **STEM Coordinator**

My Story: I hold a B.S. in Chemistry/Technical writing and Ph.D. in Biological Sciences with over 13 years combined academia, industry and government service. I am a relentless believer in hope. I partner with my GSA family to catapult the underserved to becoming actionable participants in 21st Century STEM Careers.

Ms. Robin Story

My name is Robin Story and this is my 9th year in education. I have taught a little bit of everything: 4th grade, preschool, English as a Foreign Language, and high school special education. This is my first year in **2nd grade** and I absolutely LOVE it!
